

## **Pappas Properties hosts a Realtor Appreciation Luncheon to celebrate Berewick, the fastest selling community in the region**

Charlotte, NC, October 2, 2007 – Pappas Properties celebrated the success of Berewick by hosting a Realtor Appreciation Luncheon at the Berewick Manor House. -

The on-site Berewick Activities Staff, assisted by The Michael Catlow Group, kicked off the afternoon with an interactive game of Realtor Feud. Directly following lunch, Realtors toured the community on old-fashioned trolleys. Realtors departed at various trolley stops along the tour to visit models by some of the top regional and national builders.

Participating builders included KB Home, McCar Homes, Shea Homes, M/I Homes, St. Lawrence Homes, Bella Sera Villas, DR Horton Homes, Beazer Homes and Gandy Communities.

Bella Sera Villas debuted their new model in the Village of Glasgow. Beazer homes offered Realtors a preview of their new models in Aberdeen. D.R. Horton offered a preview of their new town home village, Prestwick. Snow White and Cinderella even stopped by to talk about the new Disney character rooms now available at KB Home.

With 300 closing in 2006, Berewick has quickly become one of the top selling communities in Charlotte. To discover more about Berewick, visit [www.berewick.com](http://www.berewick.com) today!
